Sanitary facilities

Showers and other sanitary facilities are located inside Arena Skövde. These facilities are accessible from 06:30 - 22:30 every day from Wednesday 8th of August until Sunday 12th. There is an area especially designated for ladies. Temporary toilets are also available in Paddock A and B around the clock. For precise location of these facilities follow signs posted in the Paddock or use location map distributed upon arrival.

Paddock

The Paddock Area is accessible from 10:00 Wednesday 8th August. It's part of an public parking lot surrounding Arena Skövde near the city centre. Signposts leading the way to the Paddock area from all major roads will be in place from Wednesday morning.

The paving material in the Paddock Area consists of asphalt and it's therefore not under any circumstances allowed to fasten tents or other items with screws, spikes or similar.

Electricity is provided in Paddock A in the form of single phase grounded 230V power outlets allocated area wide. If you intend to use your own electric power generator do so between 06:30 – 22:00. During remaining hours there should be no disturbing noise in the Paddock area. Electrical supply will be up and running until Sunday evening approximately 18:00 when dismantling will begin.

Use positioned dustbins, containers for combustible waste and environmental boxes for the intended purpose. It's mandatory to use environmental mats during service of motorcycles in the Paddock area. There is no washing area in the Paddock.
